Dear Deborah,

Peel and I want to thank you for the music you brought to the Symposium, first + last. The Yiddish songs were a joy for those of us who know and love the language. Both of us will especially treasure those marvelous moments you made for us, and everyone, in Martha's office. Now you, too, have a claim on our memory.

In return I send along a few pieces for you to remember us by. The review of The Bath led to our first meeting with Elie - and, in turn + time, eventually to our meeting you. Very strange when you think about it. With all good wishes,
Irving + Peel
